Water Expo Angling - Boating - Watersports

NEW 2023 SHOW
March 4th-5th, 2023

New Show Concept

MARA MEDIA is delighted to announce the development of a new and exciting marine leisure show, **IRELAND ON THE WATER EXPO**. The inaugural show will take place at The Eikon Centre, Lisburn, on the 4th & 5th March 2023.

Having hosted the successful Ireland Angling Show in Dublin for over 10 years, Mara Media believes that the increasing passion and interest in marine leisure over recent years, calls for a bigger and better show, celebrating everything that is great about being out on the water.

The 2023 show will feature exhibitors presenting a wide range of amazing products and services in the marine sector, from angling, to boats and sailing, kayaking, surfing and water adventure parks.

THE IRELAND ON THE WATER EXPO promises to be an event packed full of activities for the entire family to enjoy. For those interested in perfecting their techniques or learning about new products, the show will feature talks from a range of experts in all areas of the marine leisure sector, while also giving visitors the opportunity to visit each of the stands and chat to professionals on a one-to-one basis.

Our aim is to develop the biggest marine leisure consumer show in Ireland, attracting visitors from across Ireland and the UK to enjoy our one-stop-shop experience. To do so, we are fully committed to acquiring a vast array of world-class exhibitors who cater for all aspects of the marine leisure industry.

As an exhibitor, you will have the opportunity to take full advantage of our strategic marketing campaign, allowing us to promote your company across our website and social media platforms.
